Note: Certificates of Attendance available.

Workshops:

- Climate Justice - Trócaire**
A workshop exploring climate justice and how it affects Trócaire's overseas development work.
- Environment - Eco-Unesco**
This workshop will explore environmental issues through active learning methodologies and introduce the Young Environmentalist Awards programme.'
- Refugee Issue - UNCHR**
Workshop on a new Refugee Pack that the UNHCR has devised.
- Education in Times of Crisis - UNICEF**
"Emergency Lessons: Education in times of Crisis" - how UNICEF try to keep education for children going after natural disasters or in conflict zones.
- Managing Action Projects**
A guide to choosing, preparing and managing action projects. This workshop should be particularly useful for teachers new to CSPE or returning to CSPE.
- Reporting on Action Projects**
Teachers will get a thorough introduction on how to most effectively guide their students in the process of completing their Action Project Reports.
- Methodologies for Development Education**
Exploring methodologies suitable for development education.
